

## Oral Motor Exercises

1. Definition of terms
  - a. oral-motor exercises
  - b. production training
  - c. disorder groups
  
2. Theory of oral-motor exercises in speech disorders
  - a. Historical perspective
  - b. More recent literature
    - i. Forrest (2002)
    - ii. Weismer (2007)
  
3. Anatomy and physiology of oral cavity
  - a. Histology and receptors
    - i. Jaw
    - ii. Tongue
    - iii. Lips
  
4. Experimental Data
  - a. Criteria for inclusion
  - b. Previous studies
  - c. Colone & Forrest
  - d. Forrest & Iuzinni
